

Freedom Bound

Fiction. Young Adult Novel. African American Studies. In this, the final instalment of Jean Rae Baxter's best-selling young adult trilogy, eighteen-year-old Charlotte sails from Canada to Charleston in the beleaguered Thirteen Colonies to join her new husband Nick. During these final months of the American Revolution, she must muster all her wit and courage when she has to rescue Nick from being tortured as a spy in an alligator-infested South Carolina swamp. She must also find ways to bring freedom to a pair of teenage runaway slaves she has befriended. **FREEDOM BOUND** delivers a frank and realistic picture of the slave system and a powerful account of what was at stake for both white and black Loyalists as they prepared to find a new home in the country that was soon to be Canada. Like *The Way Lies North* and *BROKEN TRAIL*, the two novels that preceded it, **FREEDOM BOUND** contains a wealth of carefully researched historical details of one of the least known chapters of our history.
