Jump-start your Futsal game, turn on your afterburners, and bring calm to your body and mind with the remarkable, proven powers of fundamental Futsal coaching. Join soccer coach Marc McGee a life-long time coach and amateur player as he unlocks the science of futsal, and discover how different coaching plans of this worldwide phenomenon can help change your coaching and playing abilities. The Guide to Futsal features Drills, Techniques, Diagrams and motivation that reveals how you improve fast! I loved the coaching plans! I followed the plan for 30 days and won 8 more games than last season! Jim Arenas, 31, Miami, Florida From quick turns and passing to warm-up drills to the motivation to keep going, you'll learn how to time your coaching sessions throughout the practice, ensuring your team is efficient and staying strong all game long. All the while, you'll get to enjoy team cohesiveness and increased repetitions (yes, you get to do more with less time!). I went from an average recreational player to competitive tournament player, and I'm alive with energy. This is not a fad or easy for me but a way to challenge myself everyday to get better. Trace Durst, 25, Lewisville, PA In just one week, you will lose your bad habits look and feel more efficient, without grueling exercise reset your bad habits to help make your Futsal skills long-lasting and automatic Work as team more soundly and feel more engaged dramatically reduce your turnovers beat teams and bring completeness to your games Are you ready to play/coach better, quicker, and more efficiently than you have in years in just a few weeks? Then you're ready for The Guide to Futsal.
