

Game of Love (Amish Maids) (Volume 6)

With a single eighteen year old daughter, Mr. Yoder, a deacon, and his wife, are delighted when Michael Glick, a new man with a good reputation, comes to their Amish community. Meanwhile, the feisty eighteen year old Gabbie Miller has been sent to live with the Yoders to keep her out of trouble. Tempers are tested and plans plotted when both girls are instantly attracted to Michael. Martha Yoder is distressed and wonders how she can compete with the bright and bubbly Gabbie, when she can barely utter two words when Michael is around. What will happen to the girls friendship when Michael shows a clear preference for one girl?
