

Sarah: A Mission of Love

Handsome, single, and wealthy, Houstonian Tom Shoemaker must decide if he should give up his successful business to assume a country pastorate. When a blonde, blue-eyed, dyslexic angel arrives from The Heavenlies to locate a mate for Tom by Valentines Day, shes havoc in outlandish red stilettos. But despite numerous goofs in her efforts many caused by her passion for eccentric footwear the other angels would never dare adorn love is indeed in the air. After Marcy Montgomerys husband was killed in Afghanistan, she relocated to a small, central Texas town with Hope, her five-year-old daughter. When Sarah accidentally introduces Tom to Marcy, she sets about discovering if the two would make suitable mates. The Superiors certainly wouldnt approve of a romantic link between the wrong people. But Hope wants a father, and when the five-year-old meets Tom, she immediately decides he is the perfect candidate. Is Tom the right one for Marcy? Or has Sarah made her biggest blunder of all? Oh merciful heavens! Whats an angel to do?
