You're beautiful, he repeated. We all carry scars, Callie. Some are just hidden deeper than others. Meet Callie, she lost her ma when she was young, and dad just passed on. She's gorgeous except for the large scar from her ear to her mouth when a dog mauled her. The local man will not have her, so she seeks out West for companionship and possible love. She agrees to marry Joseph Landon, a dry goods store owner in the Wild West. Was it a wise thing for her not to mention her scarred face? What is it that destiny has in mind for both of them that will change everything about real love? The first five minutes of arriving, meeting Joseph, what nearly scared her to death? Grab your bonnet and jump on the buggy and come out to Casper Wyoming. You will have a lovely time hanging out with the likes of beautiful Callie and her accepting, kindhearted husband to be, Joseph Landon. Oh, yes, still, there will be a few bumps in the road, so hold on.....a story of hope, fear, romance, suspense, and true love.....While this book is part of a romance series, it can be definitely read as a standalone book.
