

Gentlehands

Sixteen-year-old Buddy Boyle makes a shattering discovery about his family in this powerful and poignant novel by award-winning author M. E. Kerr. Buddy Boyle lives with his parents and younger brother in a small house on a half-acre of land in undesirable Seaville, New York. Skye Pennington spends her summers on the opposite end of town on five acres with a view of the ocean. Buddys dad is a police sergeant; Skyes is the head of a multi-million-dollar industry. But none of that stops Buddy and Skye from falling in love. To impress her, Buddy takes Skye to visit his aristocratic grandfather in Montauk. Frank Trenker is Buddys mothers father, a man she never talks about. Just as Buddy feels hes getting to know his estranged grandfather, reporter Nicholas De Lucca shows up. For three years, hes been searching for a notorious Nazi war criminal known as Gentlehands. When De Lucca uncovers a shocking connection to Buddys grandfather, Buddy refuses to believe the accusations. One of M. E. Kerrs very best novels, Gentlehands tells a spellbinding story of love, loyalty, and the family you thought you knew. This ebook features an illustrated personal history of M. E. Kerr including rare images from the authors collection.
