

George Mullers Narratives: A Narrative of Some of the Lords Dealings with George Muller: Six Parts in One Volume

The complete six part set of George Mullers original autobiographical journals offered together. During his life-time, his preaching and his personal example were formative in encouraging multitudes of believers to begin work for the Lord on the basis of faith. His own experience proved the Lords faithfulness to those who were with him, laboring in the fields. To the faithful worker, no expense would be spared, and the support would always be supplied for those who were diligently working on the Masters plan. This is truly one of the greatest records of the faithfulness of God ever published.
