He leaned closer, kissing her once on the lips. His were like velvet, soft and warm and gentle against her mouth. You have a lot more to learn, however. She was still panting, her heart racing in her chest. She watched as he kissed her between her breasts, and then slowly nuzzled his way down her stomach, taking position with his face between her legs. He hooked his fingers under her panties and dragged them down, pulling them off of her with measured patience. Then he put one hand beneath each knee and pushed her open far wider than she could have done herself For Adults Only: This Totally TABOO Erotica short story (over 5,500 words) is loaded with hot, erotic sexual situations between an innocent younger woman and a sexy older man including cunnilingus, virginal sex and more!
