

Guerrilla Jiu-Jitsu: Revolutionizing Brazilian Jiu-jitsu

Guerrilla Jiu-Jitsu is a groundbreaking system of grappling that integrates the Olympic sport of judo with Brazilian Jiu-Jitsu, today's most sought after grappling art. These are the techniques and strategies that allowed Camarillo to devastate the competition at some of the world's most prestigious judo and jiu-jitsu tournaments and have led his students to more than a dozen victories in the Ultimate Fighting Championship. Guerrilla Jiu-Jitsu offers a leg up on virtually every opponent who refuses to stray from the parameters of his discipline.
