

The Cursed Dildo (Gender Swap Feminization Erotica)

Diana was reacting to this situation in a completely different way than I thought she would. At first she was shocked, of course, but now that she knew it was still me inside this feminine body, she seemed to be more excited for sex than ever. I had to admit that I was getting excited too. All of my jealousies about how Diana got to feel and how beautiful she was seemed to be relieved now that I was a woman, too. Cyril the Magnificent is an incredible magician but there's one trick that's been eluding him. His girlfriend Diana needs something else in the bedroom and something's not right for him, either. On a chance trip to a mysterious shop, this illusionist finds something very real to help him solve his problems. Surprises lurk around every corner as Cyril discovers that this toy is made for more than just simple pleasure. When it uncovers his true fantasy and the woman who he's always been underneath Cyndi and Diana discover ways to make their bedroom a truly magical place. Best-selling author Angelica Siren's latest tale of gender-bending fun starts now! This story contains graphic depictions of sexual content and is intended for mature audiences. All characters are at least 18 years of age and all sex is consensual.
