

## Beginnings II: Life, death, and life of a world (Volume 2)

The second Beginnings book, concluding the story of a quarantine world awaiting its final freedom from captivity. Some of the characters from the previous book manage to escape the volcanic devastation of the US and find themselves taken to Europe by some odd co-incidences of fate. They also find that democracy is a thing of the past as they find themselves amid the circles of power of the new Roman empire.
