

The Cowboys Secret (Cowboys After Dark: Book Three)

Cowboys After Dark: Over 300, 5 star reviews/ratings on Amazon/Goodreads DARK SECRETS REVEALED. ROMANCE IS BORN. COURAGE IS TESTED. Amelia Anderson is a spitfire, a self-made woman whose love is rescuing horses. When she buys a country property to pursue her passion full-time, she meets a seriously hunky cowboy, Clint Hogan. She soon learns he has been dubbed the town hero, but no one will tell her why! She becomes convinced the answer lies in the small cabin behind Clint's house. Clint carries a wicked grin, perhaps because he has a love of the dark, erotic arts, and though his physique makes the girls catch their breath, he has no romance in his life. He does, however, have a kinky covert pastime, one he doesn't advertise, and one he's certainly not willing to share with the beautiful Amelia, a woman he's just met. Curiosity killed the cat, but satisfaction brought it back. Is this true for Amelia? What is the cowboy's secret pastime? Sneak up the hill to the cabin yourself, and peek through the window, but be careful, you don't want to get caught. Pick up the book today, and find out why.
