

## Bears in Bondage (Books III & IV)

Bastian draws Cole deeper into his world, showing Cole the pleasure in pain and the joy in submission. Bastian is unable to keep his hands off Cole, the need for his young cub grows every minute. He knows there is something special about Cole, a magnetism that won't be ignored. But Cole hesitates once he starts his new job at Bears in Bondage. Bastian is now his boss and it causes strings to be attached to the fun they're having. Cole is serious about working hard and finishing his studies, and he doesn't want to be a kept man. But he knows he's found something in the big, strong man and Cole doesn't want to let Bastian go, either. Bastian has to show Cole that the lines blur in his world and that he can still be Cole's master, even if he's also Cole's boss.
