

Hope from Acorn Hill (Tales from Grace Chapel Inn)

Two of the most beloved books in this bestselling series in one volume! In *Hidden History*, Alice stumbles upon Daniel Howards boyhood journal from the early 1900s, and the Howard sisters uncover the hidden history of their beloved father. Through his profound and thoughtful words, they come to see how the power of belief can change the course of a life. In *Winter Wonders*, Louises daughter Cynthia brings home a famed home-and-garden expert to write a childrens book, and the Howard sisters peaceful lives are turned upside-down. And when Alice realizes that the dogs at the racing track in a neighboring town are being mistreated, she gets involved in a cause much deeper than she ever intended. One things for sure, life is never dull with these spirited sisters, whose long, wintry days are filled with wonder.
