

When Can I Start Dating?: Questions about Love, Sex, and a Cure for Zits (Why Files)

From the archives of the Why Files...Most teens look forward to dating. But you may have questions. Concerns. You may need advice about how to date, when to date, and whom to date. Well, you're about to find some great answers right in this book. Actually, you'll cover a lot more territory. You'll also learn about maturity. Sexuality. Love. Puberty. Parents. Identity. If you've ever wondered about dating, you'll find helpful information inside about yourself, as well as the opposite sex. You'll even find out how God carefully and perfectly planned your maturity. And He's ready to walk with you through your best (and worst) dates.
