

## Casey Stoner: Victory Lap

Filled with sensational photographs and revealing insights into the thoughts of motorcycle racing champion Casey Stoner, this book celebrates Stoner's talent, successes and contributions to the sport. His early years, his spectacular riding skills and amazing wins in MotoGP in front of a world-wide audience. A rare and fascinating look at the way a top rider races, both mentally and physically, and succeeds. The book follows Casey Stoner's career in MotoGP since he began riding internationally at 15 years old. He has had great wins, crashes and close calls and became World Champion at 21 years of age. He is the current defending World Champion. At the end of this season in November 2012 he will retire from MotoGP. He will be 26.
