

Gay Monster Mega Bundle: Bigoot, Yetis And Apes (Monsters Made Me Gay)

Gay monsters come in all shapes and sizes, from lustful demons of the deep, to horny creatures from another world. This particular mega bundle collects six sinful tales of hot, gay Bigfeet, Yetis and apes that are ready to ravage anything that crosses their path All at the same time!

These gay beastly violations are not for the faint of heart. But, if you love gangbangs, dubious consent, rough sex, straight to gay turning, double penetration, bukkake, and of course, hardcore monster sex, then this mega bundle is for you! **BIGFOOT**

GANGBANG After stories around the campfire of the mythical bigfeet, Rick cant help but find himself intrigued by what could be lurking out in the wilderness. But when one of the creatures picks up his scent, he ends up kidnapped by the monstrous clan. Rick soon discovers that there are no female bigfeet left, leaving the males very gay and very, very horny. Its not long before he finds himself pleasuring the clan at the center of a rough, bigfoot gangbang. **APEMAN GANGBANG** As Rich and his team of explorers descend deep into the heart of the jungle, they are being watched. The question remains; is the tribe who protects the temple they seek human, or are they the legendary apemen?

Rich soon finds out after coming face to face with the entire pack. He quickly learns that the apemen have a prophecy regarding the appearance of a handsome outsider like himself; and a plethora of gay sexual rituals that must be preformed. Pent up while waiting for their sex god to arrive, the apemen are about to take Rich for a wild gangbang so depraved only monsters could imagine it! **SWAMP APE**

GANGBANG Chris is thankful that he got out of Florida, having made a name for himself as a young male model in big city New York. But that doesnt excuse him from taking trips home to see his family every now and then. After driving for days, Chris suddenly finds himself lost and

broken down on the side of the road after a large creature steps out from the swamp. Worried that the legendary Florida Swamp Ape might be tracking him down, he finds his way to an old abandoned house deep in the marsh. Unfortunately for Chris, the house already has some new residents; and they're hairy, huge and horny. It looks like the only way for him to get back to civilization is through a gay, beastly gangbang. **YETI GANGBANG** Tom is a handsome, young biologist who's not cut out for research deep in the Himalayan Mountains. Overwhelmed with homesickness, he spends his days at the research lab touching himself and fantasizing. When one of the other researchers mentions the legend of the Yeti, and how she believes they might be particularly horny, and possibly gay, after coming out of hibernation, Tom lets his mind run wild. But things get a little too real when Tom leaves the lab doors open over night and four of the monsters find their way inside. Soon enough, Tom finds himself in the middle of a brutal, gay Yeti gangbang. **SPACE APE GANGBANG** The first astronauts were not men but monkeys, fired off into space and then left for dead as their vessels continued on and on into the great unknown. But what would happen if, sixty years later, one of those ships came back? Mission Commander Aiden Rosen is assigned with the incredible task of investigating one such returning ship, but when he climbs aboard it becomes very clear that the vessel has been gone longer than anyone expected, and that the occupants have grown up quite a bit. Aiden has suddenly found himself at the juicy center of a gay space ape gangbang. **CAGED: A GAY BIGFOOT GANGBANG** When Danny answers a job posting for Cryptid Labs, he has a few reservations. First of all, why do all the magazines in the waiting room feature stories about bigfoot and the Loch Ness monster? And why are they only looking to hire gay men?
