

## A Shy Mail Order Bride for the Rough and Rugged Cowboy: Benson Creek Mail Order Brides

Love and laugh with the girls of Benson Creek, as these Mail Order Brides overcome personal challenges to find new lives and good men to share them with on the Western frontier. Timid and shy, Deliah Mason thinks she's ready to tackle the life of a Mail Order Bride. She's read about the West in dime store novels, but no novel prepared her for stepping off the stagecoach and into a group of roughhousing cowboys. When one grabs her from the road and sweeps her onto his horse, she's terrified. And when she finds that he is her husband-to-be, she's ready to turn around and high-tail it home. Since the death of both his parents, Kyle Conover has been living alone in his fine ranch house, and now he's ready to bring a wife into his life. But Kyle did not expect this shy, but beautiful woman. In fact, he had to practically hog-tie her just to get her to come see his home. He knows his life is rugged, and his manners not the best, but he really hopes to make this lovely woman happy? But Kyle and Deliah can't deny their attraction to each other, so they set a bargain. Two weeks, and if one decides the marriage won't work out, then the engagement is over. Can this wild cowboy and timid filly find their way to lasting love? Find out in this fifth book in the popular Benson Creek Mail Order Bride series.
