

## An Inconvenient Friend

Samaria Jacobs is a deceitful, yet captivating diva who will do anything to win the heart of her married lover. Will she get her man or destroy herself and everyone else in the process? Samaria has her sights set on Gregory Preston. A successful surgeon, he has just the bankroll she needs to keep her in the lifestyle that her credit card debt has helped her grow accustomed to. He's married, but Samaria would never let a little thing like that get in her way. Samaria joins New Mercies Christian Church to get close to Gregory's wife. If she gets to know Angelina Preston, she can become like her in more than just looks, and really work her way into Greg's heart. Angelina's life is filled with a successful career and busy ministry work, but something's just not right with her marriage. Late nights, early meetings, lipstick- and perfume-stained shirts have her suspicious that Greg is doing a little more operating than she'd like. But does she have the strength to confront the only man she's ever loved and risk losing him to the other woman? Just when Samaria thinks she's got it all figured out, she finds herself drawn to Angelina's kindness. Will she be able to carry out her plan after she finds herself yearning for the one thing she's never had...the friendship of a woman?
