

## HIS: THE PROPOSAL BOOK ONE

Ariana is summoned to the handsome Russian Billionaire, Nickolai Antonovich's office. If she does not agree to become his submissive wife to enable him to close an important business deal with a traditional man who believes in marriage, he will expose her sisters' theft from his company to the police and have her put in prison. After a bad experience with her first marriage to a violent man, Ariana is reluctant. But the Russians' strong dominance is a potent aphrodisiac. Promising to protect her from her stalking husband, the billionaire vows she will want for nothing as his wife. Greatly tempted after experiencing life as a struggle, Ariana finds herself agreeing to his terms. But will she find her new position of submissive wife a role she is willing to play in the long run? Will the Russians' need for her total submission both in their marriage and in his bed prove to be too hard to give? Or will she find unconditional love with the handsome stranger? Publishers Note: HIS: The Proposal is a revamped and rewritten version of His Submissive Housewife: The Proposal which is no longer available.
