

My First Sewing Book: 35 easy and fun projects for children aged 7 years old +

Here are 35 brilliant projects that will help you learn how to sew. If you've never used a needle and thread before, don't worry - start with the Sewing Techniques section, which simply explains how to do every stitch. Then pick something to make from one of the four chapters. In the Toys chapter, you'll find juggling animals, sock monsters and rag dolls, while in Fashion Fun, there are gorgeous bags, hair accessories and more. Next, discover some brilliant Decorations - from hanging felt stars to pretty lavender bags. Finally, Great Gifts is packed with ideas, such as the finger puppet cards, felt egg cosies or the sausage dog draft excluder. All the instructions and cute step-by-step artworks are easy to follow; plus, each project has a grade so that you can start with easy sewing and move onto using more advanced stitches as you get better at it.
