

## My Husband Takes The Whole Gang: Loud Librarian

The idea that opposites attract has never been more apparent than with Kirk and Allen, a happily married gay couple who couldn't be more different. Kirk is loud and wild, while his handsome husband Allen is quiet and reserved, spending most of his days working as a librarian downtown. When Kirk notices his husband flirting with some businessmen however, a fantasy is ignited between them that will completely upend the traditional roles of this relationship. Soon enough, Allen is arranging a furious and filthy library gangbang, where he will be anything but quiet. Can Kirk handle seeing this other side of his hot husband when he's taken by a gang of other men? This is a 4,000 word hardcore gay gangbang story, featuring rough sex, double anal, hot husband, cream pies and cuckolding.
