

The Best of Surfer Magazine

Since 1960, Surfer magazine has been chronicling a pastime that confounds description. Now for the first time, Surfer has collected its eclectic array of surf journalism into one volume, from dyspeptic editorials and gnarly travel pieces to great fiction and humor writing. Each piece is introduced by the editors and accompanied by the full-color cover of the Surfer issue in which the article first appeared. With the top names of surf journalism, this authoritative volume defines almost fifty years of Surfer style and substance.
