

# The Book of Rune Wisdom: How to Create and Read Your Own Runes

Best-selling author Kenneth Meadows reveals the origin, use, and true meaning of the runes--they are not simply an oracle for predicting the future, but the key to the missing dimension in our understanding of the Universe and ourselves. Introducing the runes in their original sequence, this comprehensive guide teaches us how to: read and write the runes create a set of runes consult the runes for advice and guidance design runescrpts and bindrunes experience other realities through the runes

The Book of Rune Wisdom further explains the runic hours and which runes are associated with night or day. Through attractive illustrations, the book guides readers through a variety of practical rune exercises and rituals. Introducing Nordic dieties, and their association with the runes, the book provides rare cultural context, guiding readers towards a deeper understanding of the runes and themselves.
