

## When Lightning Strikes (MISSING Book 1)

Fire in the sky Just because her best friend wants to exercise, Jessica Mastriani agrees to walk the two miles home from their high school. Straight into a huge Indiana thunderstorm. And straight into trouble. Not that Jess has never been in trouble before. Her extracurricular activities, instead of cheerleading or 4-H, include fistfights with the football team and monthlong stints in detention -- luckily, sitting right next to Rob, the sexiest senior around. But this trouble is serious. Because somehow on that long walk home, Jessica acquired a newfound talent. An amazing power that can be used for good...or for evil. Run, Jessica. Run.
