

The Inner Sanctum

Three conversations between the author and the Lord that will comfort those who were taught that God is a vengeful and judgmental deity who severely punishes wrongdoers. It will inform those who wonder if God had anything more to say apart from ancient Scripture and, if so, why has it not been revealed to the world? God constantly communicates with creation, but some refuse to accept that He can be heard by those who listen for Him with love in their hearts.
