

Opening to Love: Let the Universe Unlock Your Heart

Unlock your heart to Divine love, and experience the four passages of spiritual awakening. The heart is where the soul resides. Thus, if you long for spiritual awakening, you must learn how to fully open your heart: into pain, into compassion, into connection and into love.

In this book, you'll learn how to open your heart as a spiritual practice, through each of the progressive openings. Using the teachings and Divine messaging, you will experience each opening on your journey to greater consciousness and joy. To help you on your path, you'll find daily Illuminations you can use for contemplation, meditation or journaling.
