

Triathlon: Strategies For Success

Triathlons are definitely not easy. For all triathletes, the logistics of a race can be nerve-wracking, but that additional stress is avoidable with proper planning. Triathlon: Strategies For Success will teach you how to customize your pre-race and race day routines so that you leave the extra stress behind and race your best every time.

Bonus Material includes sample packing lists, how to handle tough situations such as injury and heat, as well as success tips from professional and world champion triathletes. Whether you are a new or experienced triathlete, the tips in Triathlon: Strategies For Success will give you an edge over your competition.
