

The Greatest Fight in the World

Charles Spurgeon (1834-1892) gave an annual address to the students of the Pastors College. This address from 1891 has rightly been called his Final Manifesto. He urges his brother-ministers to base their ministry entirely on the Truth of Gods Word, to instil Gospel activism in the church, and to do all in entire dependence on the power of the Holy Spirit. Its message is needed just as much today to stir and inspire ministers of the Gospel. First published in 1891 and subsequently issued to every serving minister in England, this edition has been completely re-typeset for issue as an eBook.
