

Thomas Merton: I Have Seen What I Was Looking For, Selected Spiritual Writings

An informative and fascinating look at Merton's life and writings by a fellow Trappist. Pennington describes Merton as a monk, a mystic yes! A merry, mischievous monk and a modern, muddled mystic. Deadly intent upon becoming a saint what else is there to do knowing that a can of beer is a help along the way. Father Basil takes us on a whirlwind review through the seasons of Merton's life and work.
