

## Her Secret Taboo Christmas (Taboo Erotica)

If you want to help Santa with his North Pole, you need to get on your knees like a good little helper. Holly has secretly lusted after the man of the house ever since a shotgun wedding brought him into her life. When she overhears his plan to play Santa, she sees it as the perfect opportunity to offer him a very special menu of milk and cookies. In the middle of the night, the only creatures stirring in the house are the nubile little brat and the man of the house. When he find out its her first time, he tries to resist temptation, but can he stop himself from taking her hard, deep and without protection? Love scenes are fully realized and at times include explicit language. Intended for readers 18+.
