

I Banged Santa Claus And The Easter Bunny And I Liked It: I Banged Volume 2

26-year old Jessica Fox has loved and admired Santa Claus ever since she was a little girl and Santa put a real-life pony under her Christmas tree. (Needless to say, her parents werent exactly thrilled.) So when Jessica gets the chance to interview Santa at the North Pole, she jumps at the opportunity. But this isnt your ordinary, feel-good Christmas interview. For you see, Santas elves have gone on strike, and theres a decent chance Christmas will be canceled as a result. Compounding Santas issues, Mrs. Claus has left him high and dry, and Santa hasnt gotten his rocks off since Memorial Day. If jolly ole St. Nick is to climb out of his slump, Jessicas going to have to do something shes always dreamed of doing banging Santa Claus. (Oh, and the Easter Bunny stops by, too.) This is the second erotica short story in the I Banged series, featuring sultry and fiery journalist-turned-sexual-deviant Jessica Fox. One day shes banging the president, the next day shes riding Santa Claus, the day after that shes getting eaten out by Big Foot. Admit it, youre mighty jealous of all the banging Jessica does. (Except, of course, when Jessica has sex with an interdimensional demon from Hell. Even she has to admit thats a bit weird.)
