

## Journal II, 1957-1969 (v. 2)

Mircea Eliades journal of the years 1957-1969, originally published in English under the title *No Souvenirs*, is the testimony of a wandering scholar caught between three worlds: his native Romania, the France he fled to, and his last homeland, the United States. The journal is filled with his work, dreams, memories of his youth, stories of his travels, the reflections of each day.
