

Payment In Kind #4 (The Big Bet)

Haunted by their failures, the CPC heads back to where it all went wrong: Las Vegas. Their goal? To track down whoever gave them the basketball job, which set them on their current path. They're surprised to find that this patron had something of a personal stake in their success... or lack thereof. Jason never backs down from a challenge, but this one might be more than they can handle. In desperation, they turn to an old friend and former CPC member, Z Davis. But whether he actually wants to help them is another matter... Payment in Kind is Book #4 from The Big Bet, an EPIC Press series.
