Lewis (Coming Soon) 6. Vance (Coming Soon) Emma Gentry felt like she was losing her mind. From the time she had picked up the pretty ring to examine it, shed been hearing a voice in her head. When she ran from the demolished building, shed slipped the ring on her finger so that she wouldnt drop it, now she couldnt get it off. She was in dire need of medical attention, but the voice wouldnt let her stop to get help. There were others looking for the ring and would kill her for it. Emma was on the run. Kenton McCade was the doctor in the family. When found Emma in his office treating a badly infected wound on her leg, he had to help her. The infection had spread and she was near death. Kenton and his brothers were dragon shifters born without the ability to shift into their other half. The magic, it seemed, lay dormant in a sleeping dragon that was tied to six pieces of jewelry. When the ring found its way to Emma, her touch had woken the sleeping beast. When Emma touched Kentons sigil on his chest, he shifted to his beast for the first time. But the beast from the ring would not be complete until all the jewelry found its way to their rightful dragons. Emma was still on the runthey need her to survivebut Emma trusted no one
