

Pitching from the Ground Up (Art & Science of Coaching)

Coach Bennetts best selling book Pitching from the Ground Up returns in an improved 2nd edition. This comprehensive book covers virtually every aspect of pitching, including: the pitching delivery, stretch position, a system of teaching pitching mechanics, pitching drills, dry-run pitching, developing pitches, velocity, and control. Also addresses care and conditioning of the arm, physical conditioning for the pitcher, teaching tools, closed-eyes training drills, and much more.
