

Kurogane, Vol. 1

BLACK STEEL Avenging his fathers murder is a matter of honor for the young samurai Jintetsu. But it turns out that the killer is a corrupt government official and now the powers that be are determined to hunt Jintetsu down like an animal. There's only one problem: Jintetsu is already dead. Torn to pieces by a pack of dogs, Jintetsu's ravaged body has been found by Genkichi, outcast and master inventor. Genkichi gives the dead boy a new, indestructible steel body and a talking sword just what he'll need to face down the gang that's terrorizing his hometown and the mobster who ordered his fathers hit. But what about Otsuki, the beautiful girl he left behind? Steel armor is defense against any sword, but it can't save Jintetsu from the pain in his heart.
