

Success: One Day at a Time

Success One Day At A Time is the kind of book you will want to carry in your car or place at the side of your bed. Each page contains a snapshot of the daily road of an overcomer. It is the perfect gift for the new graduate as well as anyone else who wants to become all that God intended! Owning a book by John Maxwell is like having your own personal trainer cheerleader. Drawing on over twenty years of experience in training leaders, John shares not only how to succeed but the biblical reason for doing so. Success is knowing your purpose in life, sowing seeds that benefit others, and growing to your maximum potential, he says. He asserts that success is for everyone. The secret of success is found in your daily routine, springing from your dreams, vision and consistent self-discipline.
