

Legal Thriller: A Patriots Act, a Courtroom Drama: A Brent Marks Legal Thriller (Brent Marks Legal Thrillers Book 1)

Death, law and in that order at Guantanamo Bay. The 2015 RONE Award nominated novel for best legal thriller, fast-paced, action packed #1 bestseller legal and political thriller from the bestselling author critics call one of the strongest thriller writers on the scene. This mystery novel challenges everything you believe about justice and freedom. When a naturalized American citizen turns up missing in Iraq, Attorney Brent Marks fights the Goliath U.S. Government's Patriot Act. Santa Barbara accountant Ahmed Khury responds to the plea of his brother, a suspected money launderer in Iraq. Before Ahmed realizes what has happened to him, he is sent to Guantanamo Bay Detention Camp as a suspected terrorist, and is subjected to torture to extract information that he doesn't have. The courtroom drama mounts as the drama outside the courtroom explodes, and when murder, corruption and cover-up enters the picture, nobody, including Brent, is safe. This prequel to the best-selling first legal thriller of the series, *Predatory Kill*, rocketed to the top of four paid bestseller charts: #1 Best selling pulp thriller, #1 Best selling legal thriller, #1 Best selling political thriller, #1 Best selling Mystery Collections & Anthologies. High marks from critics for Lawyer Brent Marks: Eade, a lawyer by profession, weaves legal dialogue, corruption and international action to create a pacy read with echoes of Grisham, Baldacci and Clancy nipping at his writing heels. Law issues as well as forensics and police procedures are clearly explained with such authority as to add gritty realism in and out of the courthouse, but it's within the court drama that Eade really packs some punch. With some success with the first book of the series, *Predatory Kill*, this second saga looks sure to satisfy his growing base of readers. - SPR Review

A Patriots Act is one hell of a legal thriller that challenges everything we know about justice and

freedom.- Markus Book Reviews An edge-of-your-seat thriller that could easily be transformed into a dramatic film. Simply riveting, start to finish! InD Tale MagazineFind out what readers already know about this informative political thriller:Kenneth Eade has written a masterpiece! Not only is A Patriots Act a gripping novel where the characters in the book come alive, Eade also gives a real life glimpse into Guantanamo Bay, and the conditions inside the detainee camps. Throughout the book you see and feel through his characters what the detainees at Guantanamo go through, and the never ending hurdles the attorneys have to overcome to represent them. This book is required reading for anyone that cares about liberty and justice. -Joseph Hickman, Former Guantanamo Guard, Independent Researcher, Adjunct Professor, Seton Hall Law School, Author Murder at Camp Delta Eades skill with writing dialog is brilliant.
