

Live for the Soul

Live For The Soul is the first published collection of teachings from Vanessa Stone. Excerpted from journal entries written in retreat settings, this book is offered in the spirit of contemplation, with profound insights speaking directly to the human heart, inspiring a life of inquiry and realization. Vanessa is a teacher and humanitarian. Her teachings inspire the realization that there is no true separation. She shares that life is the spiritual path, and all beings have direct contact with what is real and alive at the heart of creation. This is an invitation to deepen into the heart of Living, to return to what is essential: to redefine the purpose of this Life and realize the gift within this human experience.
