

Living Religions (5th Edition)

For one/two-semester courses in World Religions; and Comparative Religions and Introduction to Religion courses. This clearly written survey of the modern religious world explores the development, doctrines, and practices of today's major faiths--both traditional and modern religious movements. Sensitive and thought-provoking, it explores contemporary socio-political issues such as religion and materialism, the role of women, and fundamentalism. The extensive illustrations bring each religion to life, emphasizing the personal consciousness of believers.
