

The Lizard of Oz

Jennys social life consists of lonely days and night spent munching chocs and dishing out advice to the guests on Jerry Springer and Oprah. Now husband Adam is cheating on her and she doesnt want to get mad ... or even. She wants him back! So, agony queen Jenny decides to ignore her own advice, hit the gym, take charge of her life and seduce her man. Best friend, the perfectly manicured Mouny seems to know exactly how Jenny can entice Adam back into the Garden of Eden. But when Jenny planned evening of seduction goes horribly wrong, it looks as if one of her favour TV chat shows is about to take over her life. Can Adam resist such temptation and will Jenny spot the rotten apple before it spoils everything. Another truly funny and entertaining read from Tara Manning, author of Fly Like A Butterfly, Poodles at Dawn and Nine Mile House
