

Love Birds: An Amish Market Novella

Seth always thought of Ellie as his friends little sister. But now he sees her as much more. While Ellie Lapp and her mother are still mourning the loss of her brother, Seth, Ellie starts working at one of the gift shops in town. Seths friend Lloyd is talented at carving wooden birds, but his father disapproves and expects him to take over the family farm someday. Ellie sees the beauty in Lloyds creations and insists Lloyd sell the birds in the gift shop where she works. As Ellie and Lloyd spend more time together, they begin to develop feelings for one another, but she accidentally betrays his trust. Will she lose any hope of a future with him?
