Homeschooling his daughter is new to devoted single father Ian Ferguson. To ensure his child gets a good education, the busy CPA hires a temporary tutor. Twenty-three-year-old college student Alexa Michaels is too young and too pretty to be right for the job. Yet his daughter is coming out of her shell and learning. Still, Ian is traditional, and sweet Alexa who graduated from the school of hard knocks is challenging some of his old-school ways. Can this dad learn some valuable lessons about love, family and faith from the least likely teacher?
