

Mad About The Boy: Orlando: An Evocative Gay Romance

After the brilliant but disturbed Stephen is fished out of the river he tells Orlando that he wants to be with him for eternity. But what does this really mean? When they had previously lived together the boy genius had seemed very unsure about embarking on a physical relationship. Orlando on his part didnt want to lose a friendship so dear to him by bringing too much pressure to bear. Well the softly, softly approach has led to near-disaster so Orlando considers whether or not he should become more masterful. Excerpt: After Id taken care of the dishes I also went through to what was now our shared room. My heart was in my mouth as they say but my cock was hardening as well. Would this work? When I went into the room Stephen was already in bed. I had a memory flash back to that terrible morning when, after wild-horse Jan had jerked the boy off, Id ordered Stephen out of the house. I quailed; was I making a mistake by adopting this new approach? No, I figured I had to be resolute, I had to be bold, I had to be masterful. That was it! Masterful! Orlandos life becomes even more complicated when a boy called Tyler arrives at the Playhouse Theatre where he works. Although the theatre company has several boys in the actors ranks Tyler is actually a real boy because hes still in his teens. Apart from that he suffers from dyslexia and has a pronounced lisp. Orlando is commissioned by the management to turn the challenged boy into an actor. Although Mad About The Boy: Orlando is Book Two of a series it may be read as a stand-alone story.

ABOUT THE AUTHOR: Kevin Armstrong works in film and television production in Asia and the Land Down Under. When he is not travelling he loves to spend time with his Burmese boy. Mad About The Boy: Orlando contains passages of gay sexual description. It is not for the faint-hearted. It does not contain any characters involved in sexual relations

beneath the age of 18. Approximately 36,000 words. Please Note: An earlier version of this story was previously published under the title Mad About The Boy: Tyler.
