

Lights Out Volume 1 (Lights Out (Tokyopop)) (v. 1)

Gun has always been a problem kid, but after his mom offers up a tearful plea, he decides to turn over a new leaf. Vowing to do away with his former life of fighting and making trouble, Gun works hard to become a good, studious student. As part of the effort, he transfers from Ji-Jon High School to Northern Art High School, and in the process, rents a room at the Lucky Residence, a coed dorm. While living at the Lucky Residence, Gun falls in love with Seung-Ah, the granddaughter of the dorms owner. However, the blissful reprieve of true love is not to be for this couple, as sexy Ji-Aes has set her sights on Gun, and her untimely advances always thwart his attempts to woo the innocent Seung-Ah. Making matters worse, it seems that despite his best efforts to run from his past, his reputation soon catches up with him as he begins receiving challenge after challenge from Northern Art Highs gangs.
