

Mail Order Bride: An Independent Woman: A Christian Romance Novel

When she reached eighteen, Chastity Skylark was sent west by her orphanage, to be the mail order bride to an untamed rancher with German ancestry. He was as stubborn as she, and its an uphill battle to both carve out a life together, and fall in love at the same time. Usually, an independent woman and a stubborn man dont mix. Will they be able to even like each other enough to get married?
