

Making Medicine: A Guided Journal for Medicine Cards

For well over a decade since its first publication, Medicine Cards has been one of the most respected works of its kind, utilized daily by hundreds of thousands for guidance, inspiration, and help in finding life's answers. Now, for those who have found Medicine Cards an indispensable part of their daily lives, comes Making Medicine, a guided journal specifically designed to offer guidance and insight to users seeking answers and a tool for furthering one's understanding of the cards. The book provides a space for users to concentrate on any or all of the animals featured in Medicine Cards and record their own emotions and experiences with those animals. Fully illustrated and including special medicine ceremonies, Making Medicine is the perfect complement to the cards themselves.
