

Temptation Book 4 Courage (Submissive Romance)

Thornton once again offers Annabel a life-affirming choice to leave behind her humdrum past and embrace a future of excitement with him. Temptation: Disaster is Book 4 and the final part of the Temptation series, a seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion. Thornton Silver volunteers with Annabel at the relief center each day, and on their lunch break, they return to his yacht for deeper exploration of their mutually titillating sex life. In spite of his escalating desire for a more committed relationship, Annabel feels a persistent pull to remain in San Francisco, if for no other reason than to continue her work at the relief center. With a tsunami bearing down on San Francisco, Annabel faces a life-altering choice to either rely on the comfortable safety of her past with Stephen, or to embrace an uncertain future of untold passion and unlimited potential with Thornton Silver.
