When geeky Brian is cramming with the girl of his dreams for tomorrow's college exam, she admits that she longs for a man to dominate her in the bedroom. Her jock boyfriend isn't cutting it--Lexi wants a man who takes what he wants. Brian can't believe what he's hearing. They're alone in the library, and his crush is describing his deepest fantasy. He'd love nothing more than to spank her firm ass and make her his. Now's his chance. Is he man enough to be the Dom she needs? This 3400 word erotic story contains characters that are 18+ year old.
